

**SCOTTISH PAMPHLET POETRY  
WEBSITE APPLICATION  
THE PAMPHLET WEBSITE**

1. Check the website to confirm your publication falls into the category 'poetry pamphlet'. We cannot list books.
2. Complete and Sign the form below.
3. Send a cheque made out to **Scottish Pamphlet Poetry** for £20 – this is the initial set up fee for up to 3 titles. Please contact me first if you have more titles. There will then be an annual fee based on the following:  
  
1 – 3 titles: £7  
4 – 6 titles: £10  
7 + titles: £15
4. Send any cover images by email or disk preferably in **.jpg format**.
5. If you are able to send an MP3 recording sample, then send by CD.

The most important thing is that you check the website to ensure you are happy with your listings. Do also remember to promote the site whenever you have the opportunity, either by email, web listings or on publications, as this will help establish the site and contribute to its success.

Any orders will be forwarded to you with details of where to send the pamphlets. You should let me know as soon as possible if you cannot fulfill an order so that I can refund the publisher.

A tally up will be done at the end of March each year and any funds due will be disbursed.
